StellaClad™

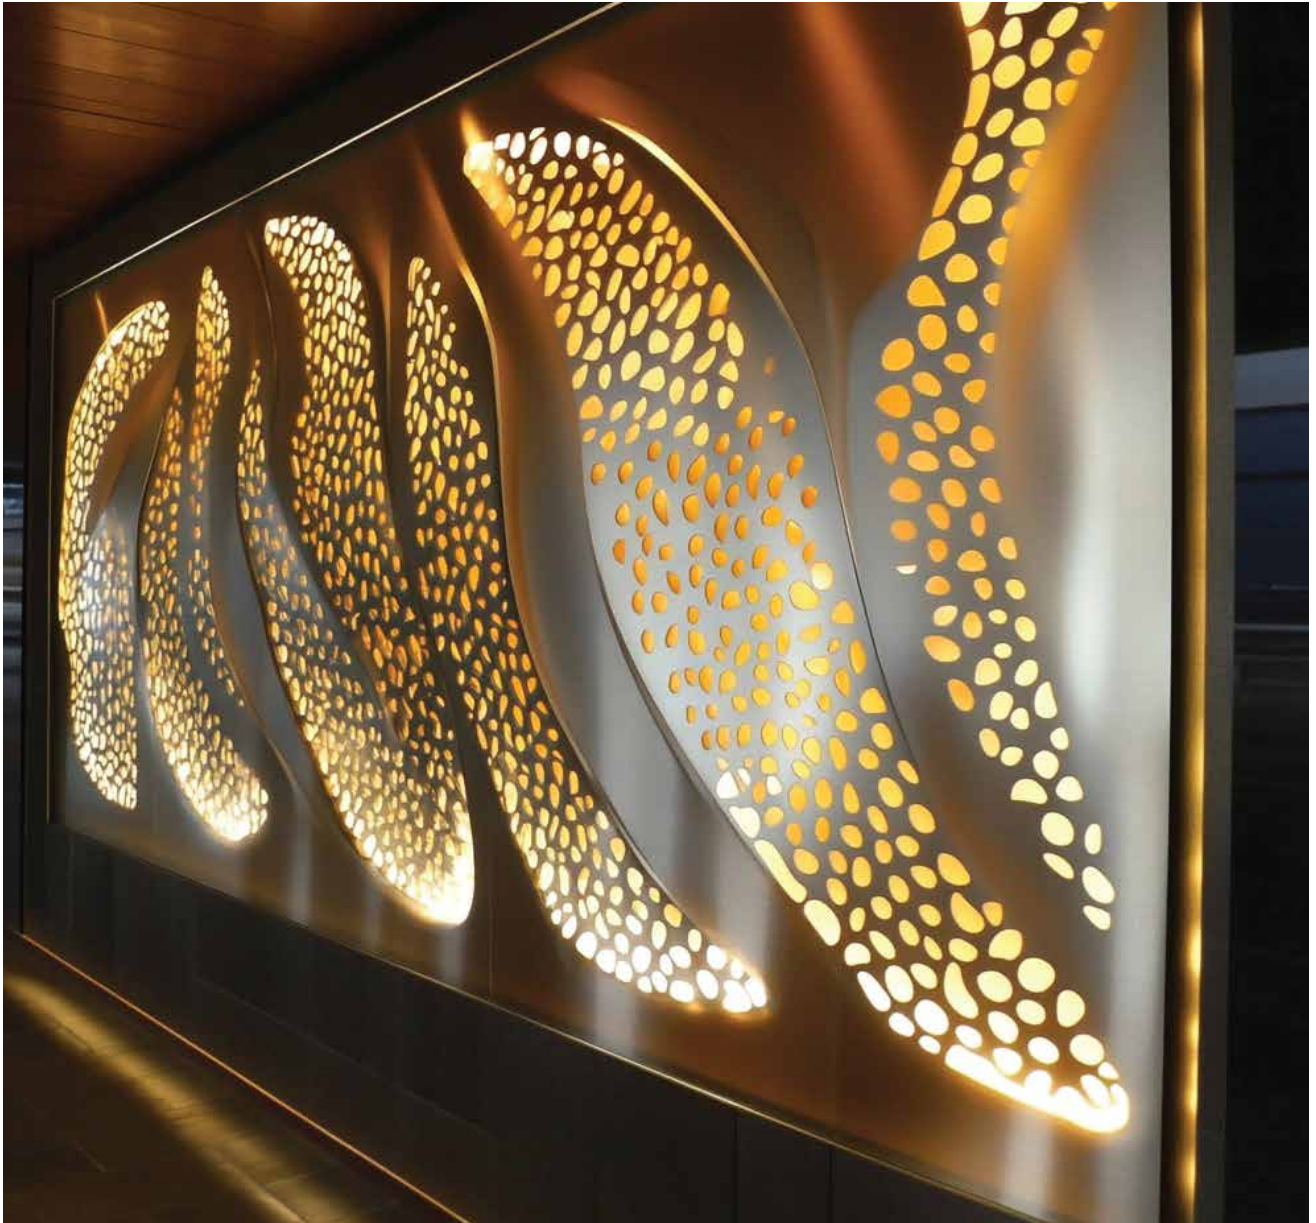

StellaClad™ is a premium stainless steel ceiling cladding system designed to deliver a sleek, modern aesthetic with exceptional durability. Engineered for both interior and exterior applications, StellaClad™ offers a seamless blend of form and function - enhancing architectural spaces with its reflective finish, corrosion resistance, and low maintenance appeal. Ideal for commercial, hospitality, and high-end residential projects.

Exterior

Interior

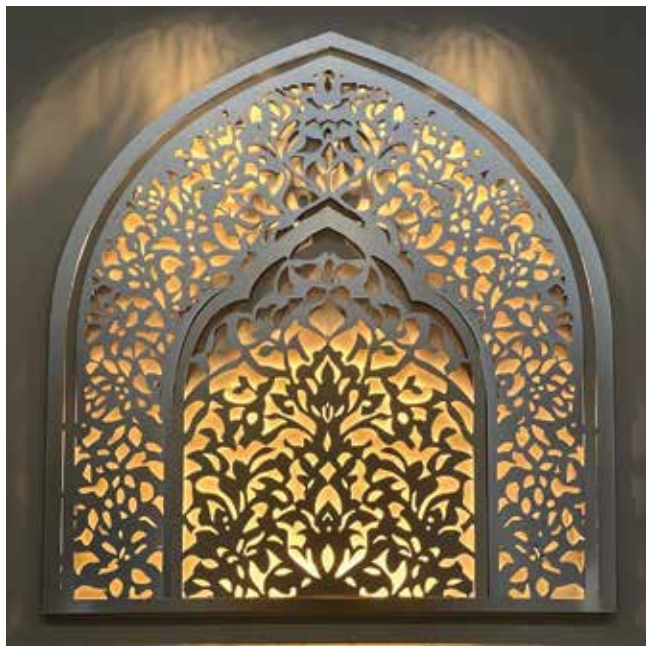

LaserLume™

LaserLume™ is a modern fusion of precision laser-cut stainless steel artistry and intelligent lighting design. Each piece is meticulously crafted to transform walls into illuminated works of art, blending texture, depth, and dynamic light. With smart lighting integration, LaserLume™ creates customizable ambiance - perfect for luxury interiors, feature walls, and architectural statements.

Minimalist

Modern

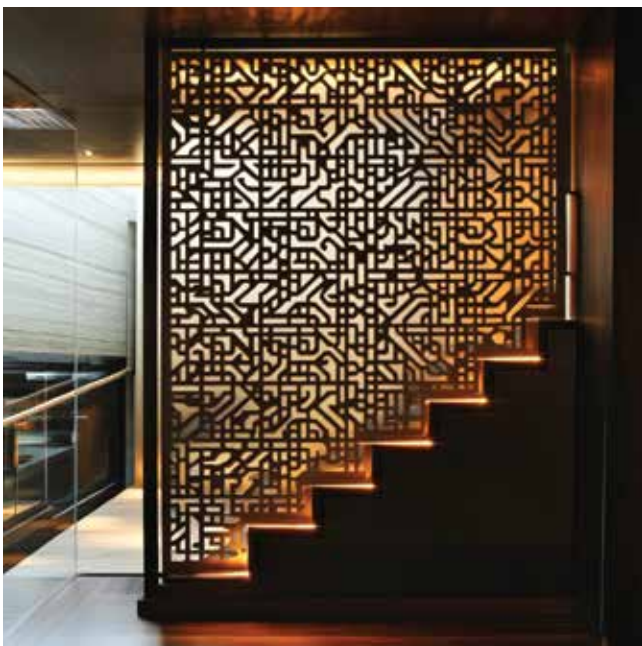

Futuristic

SleekScreen™

SleekScreen™ is a sophisticated stainless steel screen solution, crafted with precision and finished with (or without) titanium coatings to offer a sleek, modern aesthetic. Designed for both interior and exterior use, SleekScreen™ combines elegance and durability, making it perfect for decorative partitions, privacy screens, or architectural accents. With its minimalist design and high-end finish, SleekScreen™ transforms spaces with refined style and lasting performance.

SleekScreen™ can be seamlessly integrated into railings, using precision laser-cut panels as stylish infill elements. Combining structural function with decorative appeal, it enhances staircases with a modern, refined look-perfect for both residential and commercial spaces.

SleekScreen™ adds a touch of modern elegance to door panels with its precision-cut designs. Durable, decorative, and available in premium finishes, it enhances doors with unique patterns and timeless appeal - ideal for main entrances, feature doors, or custom interiors

ProCut™

ProCut™ is a collection of precision laser-cut stainless steel items designed to elevate any space with clean lines and modern sophistication. Crafted from high-grade stainless steel, each piece showcases intricate patterns and timeless finishes - perfect for contemporary interiors and exteriors, feature walls, and architectural accents. Minimalist in form, yet bold in presence.
